

Tree B1A: Franklin KISBEE and Elizabeth of Barnwell and descendants

Franklin is the thirteenth and final child, son of the first KISBEE, Thomas (1709-1765) of Barnwell, Northamptonshire. He possibly was named after his grandfather, likely to have been called Franklin CHAPMAN. Franklin KISBEE appears to have followed in the footsteps of his father, who was a lodging house and inn keeper and central to the Barnwell village community. In 1796 Franklin was renting an Inn, croft and a house with land around it, from the Barnwell Estate for £3 per annum. He was also paid £10 each half year for work as a Gamekeeper in Barnwell/Armiston.
