

Tree W1A: Charles KISBY of Whittlesey area and descendants

Charles KISBY is possibly related to Emmanuel KISBY [Tree W2B] (and therefore Levi KISBY [Tree W2A]) because he was found in similar locations during his working life. Emmanuel and Levi were sons of a John KISBY, which is the same name as Charles' first son (suggesting Charles' father was also called John). There is no trace of a baptism of a Charles KISBY circa 1773, though a Charles is baptised to a William and Jane KISBY in Littleport in 1780.
